

## About the Enterprise Europe Network

The **Enterprise Europe Network** was created by the European Commission - DG Enterprise and Industry - to help small businesses to make the most of the European marketplace.

It brings together about **600 public and private partner organisations** across Europe and beyond, providing services that include partner searches for technology, research and business cooperation, and advice on European regulations and funding opportunities.

#### SICUREZZA 2010 Partnering Event

is organised by

*Business Support on Your Doorstep*

*Business Support on Your Doorstep*

and supported by

## Public and private for security Partnering Event at SICUREZZA 2010

**fieramilano**

Rho (Milano) – Italy

17th- 18th November 2010

## Key figures of SICUREZZA 2008

- 21.027 visitors
- 43.800 m<sup>2</sup> expo space
- Over 500 exhibiting companies
- More than 180 foreign exhibitors

Running alongside **SICUREZZA 2010** and in cooperation with Enterprise Europe Network the SIMPLER Consortium is organising a partnering event with delegations of companies, universities and research centres in the security sector coming from EU and beyond.

Now in its 15th edition, **SICUREZZA** keeps on being the only biennial international exhibition in the security industry taking place in Italy and confirms its position among the top world events dedicated to security.

## About the partnering

**SICUREZZA 2010 Partnering Event** will offer producers, installers, distributors, end users, contractors and service providers in the field of security the chance to meet potential partners in pre-arranged face-to-face meetings in order to establish or evaluate business cooperations and technological partnerships.

## Main topics

- Products and technologies for anti-intrusion
- Products and technologies for fire prevention
- Passive defense systems
- Home & building automation
- Intelligence and anti-terrorism
- Crime prevention and territorial control

## Why to participate

- To easily meet operators in the field of security from around Europe saving time and money
- To facilitate contacts with potential business and/or technology partners
- To make yourself known as a potential partner for joint research project

## How to participate

- Register online at <http://www.b2match.eu/sicurezza2010> and submit your cooperation profile;
- Select the most promising participants
- Submit meetings request and set your availability
- You will receive your personal meeting schedule few days before the event

The participation is **free of charge**, the working language is **English**.

## Benefits

- Entry ticket to SICUREZZA 2010
- High quality one-to-one meetings
